Discipline Policy

We at A.J.'S Angels, do not believe in embarrassing or ridiculing a child for his or her actions. Neither, do we allow the use of corporal or physical punishment. Instead, we use positive tactics that will help strengthen the self esteem of your child.

Most situations can be handle by re-directing the child. After re-direction the child will be discipline for one minute per the age of your child. He or She will be given a verbal warning for breaking center rules. If neither re-direction nor verbal warning works for your child, other measures are taken, we will then remove your child from the group and place him or her in time out.

Time out period will be documented and discussed with Parent upon pick up. If your child continues to display disruptive behavior that may endanger other students or teachers, suspension may be considered or we may have no other option except termination.

We will request a conference with all parties involved to find a better solution to help your child. We will do everything possible to try and help you and your family, resolve any problems or issues before extreme measure's are necessary.

A.J.'S RESERVE'S THE RIGHT TO DISMISS ANY CHILD FOR INAPPROPRIATE BEHAVIOR OR ANY REASON DEEMED NECESSARY FOR THE BETTER GOOD OF THE BUSINESS AND OTHER CHILDREN.
